

Participants' feedback

'The wonderful memories and knowledge gained during the HSE St Petersburg Summer School will keep inspiring me in countless ways'

Nguyen Do Thi Thao, Vietnam

'The summer school truly impressed me thanks to the highly competent professors and staff, who were passionate about their work and showed kindness and great spiritual qualities which are reflected, in my opinion, in St Petersburg itself'

Huhongsheng He, China

'The course 'Finance, Corporations and Sustainability' was very useful to me, and the professors delivered a lot of material in the form of intensive classes perfectly'

Anton Shestakov, Russia

'The format of the classes suited the summer vacation perfectly—it was pleasant and not too intense. I rate it 10/10'

Marco De Martini, Italy

'I liked Andrey Starodubtsev's course 'Public Administration in the Post-Soviet Space' because it provides a knowledge base in the field of political processes in the post-Soviet space from the collapse of the Soviet Union to the present day'

Damir Alimdjanov, Uzbekistan

'Russia – and St Petersburg, in particular – is full of opportunities to seize, and even though the cultural differences can sometimes be quite tough to overcome, this is always rewarding'

Mathilde Garnier, France

'I highly recommend HSE University-St Petersburg to any prospective international students. St Petersburg is one-of-a-kind. My only regret? That I couldn't stay here longer'

James Tripaldi, USA
