# Short-term exchange programme

04-29 May 2026

A truly unique short exchange opportunity. Join both or only one of our courses and take a dive into the essentials of Swedish history, culture and long tradition of innovation.

Swedish culture:  
social innovations and ideals

4 ECTS  
04-15 May 2026

Take a trip through the 20th century Swedish history and visit the most pivotal events, groundbreaking ideas and transformative policies that shaped modern Sweden. Along the way, you will use films, music, sports, art and physical spaces as tools to explore and understand the essence of modern Sweden.

From lab to market

4 ECTS  
18-29 May 2026

How do ideas companies? What pitfalls should early-stage start-ups avoid to succeed? Meet ambitious Linköping start-ups and collaborate to tackle real-life challenges, helping them find practical solutions for sustainability-driven innovation.
